2019 Kent County Beach Advisories

Date Posted	Location	Notification	Reason
8/7/2019		No Advisory	

Swimming in natural water bodies is not risk free. Always monitor conditions that may affect your swimming area.

NOTIFICATION

*Advisory – Results for water quality samples collected from area do not meet the State and Federal water quality criteria. **Swimming is not recommended until bacteria levels fall.***

Closed – Beach closed to swimming.

RAINFALL ADVISORY

Bacteria levels are shown to rise dramatically after a rain. Individuals should exercise caution and avoid swimming/direct water contact for at least 48 hours due to predicted high bacterial levels.
