

KENT COUNTY PARKS & RECREATION

Registration, Withdraw, and Refund Policy/Delayed Opening and Closing Guidelines

Kent County Parks and Recreation aims to provide our patrons with program satisfaction. We understand that from time-to-time your schedule changes which requires you to cancel. However, KCPR depends on your enrollment for successful programs. All of our programs/activities have a minimum and maximum enrollment. Programs that do not meet the minimum enrollment are subject to cancellation. In order to maximize our programs, we have established these policies. Please read them prior to enrollment. Other policies may apply to specific programs/activities. A late fee may apply if registration is not completed by the deadline. Refund requests are processed by our County's Finance Department and a check is sent via mail. Please allow 2-3 weeks. Note: Credit Card processing fees are non-refundable.

Program Registration

Online registration is available for most programs. However, our friendly Parks and Recreation staff are happy to take your registration and payment in person at our Welcome Desk. All registrations are accepted on a first come, first served basis. Some programs allow registration to be completed online without submitting payment when registering. If this option is available, you will be required to submit full payment via mail or in-person within (3) days of registering but no less than (3) days from the program's start date. Payment is required to be made online if registering less than (3) days from the program's start date.

Unless otherwise stated, registration will remain open until maximum enrollment is met (except for some sports programs that will close 2-4 weeks before the program start date). If the program meets maximum enrollment, the program will be closed and no other patron will be able to register, so it is important to register early.

Program/Activity Waiting List

KCPR establishes a patron waiting list as soon as a program/activity is full. If or when vacancies occur, we will offer enrollment to the first person on the waiting list, then the next and so on. If you are placed on the waitlist, you will not be charged. If a spot becomes available, you will be notified and payment is due at that time.

Program/Activities (A withdraw form must be completed and emailed to info@kentparksandrec.org)

Swimming Pool Weather Cancellation - Rentals have the option to cancel a party due to inclement weather (inclement weather is defined as 50% chance of rain or weather warning issued by the National Weather Service).

Patrons must present their receipt and surrender their wristband to pool cashiers to receive a pool voucher.

Bus Trips

Refunds will not be issued for trips, unless the trip is full, and we are able to resell your seat to another individual or the trip is canceled and cannot be rescheduled. Resale is from the KCPR waiting list. If you wish to transfer your tickets to someone you know, please inquire at our welcome desk.

Rainout Line

Patrons are required to sign up to receive alerts from our Rainout Line Alert Notification Platform for notifications for program/activity cancellations and changes due to weather or any other reason. KCPR does not make individual contact to program participants for program closings/changes/updates to the public for weather closures/cancellations pertaining to the Kent County Community Center (KCCC), Parks & Recreation/Office (KCPR), swimming pools, parks, athletic fields/ball diamonds, events, etc. The Rainout Line platform pushes updates out via text message, email, on Facebook and on our website. An app is available to download on smart devices and a call-in hotline (410-429-1401) is also available. Users can select the method they would like to receive alerts by signing up from <https://rainoutline.com/search/dnis/4104291401>. Text alerts are limited to 140 characters so the full alert may not be displayed and may need to be viewed using another method.

Program Delayed Openings and Closings

In general, if Kent County Public Schools (KCPS) are closed, close early, or cancel evening programs, all programs at public school sites are closed. Kent County Parks and Recreation (KCPR) youth programs at the Kent County Community Center (KCCC) are open when county facilities remain open. KCPR adult programs at county facilities (Community Center) will be open when county facilities remain open. If KCPS cancel after school or evening activities due to weather, or any other reason, all KCPR programs at all locations are canceled. All programs are TBD pending Kent County Government opening. All programs are closed when the Snow Emergency Plan or the State of Emergency Plan is in effect. In consideration of other relative factors, programs may be determined to remain open or be canceled when Emergency Plans are in effect and will be determined case by case.
